TESTIMONIALS

WYCOMBE WANDERERS

O’Neills continue to provide a first-class service to the team here at Wycombe Wanderers and we are delighted to work with a partner which understands and shares our standards, vision and ambition. Particularly in a year where the whole sports and teamwear industries have been impacted massively by Covid-19, O’Neills have gone above and beyond what we might expect and, with their help, we have enjoyed one of our most successful periods for many years in terms of our kit retail operation. We would highly recommend O’Neills to any other sports club, at all levels.

PETE COUHIG
CHIEF OPERATING & FINANCIAL OFFICER

NANAIMO UNITED

Our first year with O’Neills has been exceptional. Our lead times on major orders have gone from 9-10 months down to 4-5 weeks. This has helped us greatly reduce waste by placing more accurate orders. Our dedicated account manager has provided us with top class customer service with great attention to detail meaning no member of our club feels forgotten about. The range of clothing that O’Neills offer is tailored to our club and our members have a huge range of choice. We look forward to many more years with O’Neills.

DARAGH FITZGERALD
TECHNICAL LEAD

PARTICK THISTLE

We have been delighted with our relationship with O’Neills since they became our official kit supplier in 2019. From the design process right through to the kit being on our players’ backs, every aspect of the process has a professionalism and an attention to detail that never fails to impress. The feedback from our players, staff and supporters around the quality of the kit has been unanimously positive. And despite dealing with a global pandemic, their delivery and service has been of the highest order. We look forward to working with O’Neills to help grow the brand throughout Scotland and at all levels of the beautiful game.

HOW WORKING WITH O'NEILLS IS DIFFERENT

TOTAL MANUFACTURING CONTROL

We manufacture our products using **OUR OWN FABRICS IN OUR OWN FACTORIES**

PRODUCT CONTINUITY

We can manufacture the same jerseys and apparel year after year.

SAVE MONEY & REDUCE KIT WASTE

No need to change your kits and apparel every season for the latest designs from distributors. Top-up as needed with current designs. Our policy of little-and-often make us the most flexible supplier in the business.

RAPID LEAD TIMES & SECURE MANUFACTURING SUPPLY

GET YOUR UNIFORMS & APPAREL FAST AND ON TIME

The days of ordering 6+ months in advance are over. Lead time for jerseys is 4-5 weeks. See Delivery & Lead Times section for more details. No need to worry about "global supply chain issues", we make our products in-house in Ireland.

EXCEPTIONAL CUSTOMER SERVICE

WE KNOW WHERE YOUR ORDER IS

Your tireless & dedicated account manager sees everything that happens in our factories and knows where your order is at all times. You are always informed.

WE ARE FLEXIBLE TO MEET YOUR DEMANDS

Meet tight turnarounds for events, make unique products for your club, and offer two online store solutions, are just some of the things we do to go above and beyond for our customers.

TOP TIP

For house leagues, pick a jersey design and choose not to have numbers so players can use the same jersey season after season. We can always make the exact same jersey for new players or players who need a new size.

HOW WORKING WITH O'NEILLS IS DIFFERENT

FULLY PRINTED JERSEYS
(Sublimation)

We are the experts in fully printed garments.
ALL OUR JERSEYS ARE ELITE QUALITY FULLY PRINTED JERSEYS.
Every design detail is printed into the fabric of the jersey via a process called sublimation.

Printed sublimation gives us
COMPLETE FREEDOM OF DESIGN
with unrivalled sharpness and clarity.

QUALITY THAT LASTS YEARS

Our jerseys are made to last years and years. The design will never fade, and with no screen printing the days of logos and numbers peeling and falling off are over.

ALL LOGOS, NUMBERS, AND DESIGNS INCLUDED IN THE PRICE

With a fully printed jersey you can have as many logos as you want without worrying about the extra costs.

TOP TIP

For house leagues, get our recreational jersey and choose from dozens of existing and popular designs. For competitive teams, get our competitive match jerseys and our in-house designers will create a completely unique look for your teams.

DID YOU KNOW?

WE SUPPLY OVER 7,000 CLUBS, SCHOOLS, AND UNIVERSITIES IN OVER 100 COUNTRIES. With our manufacturing and distribution centralized in Ireland, we send our products to anywhere in the world with exceptional speed using couriered air freight.

OUR PRODUCTION FACILITIES COMBINE TO GIVE US OVER 500,000+ SQ. FT. OF FACTORY SPACE, MAKING US ONE OF THE BIGGEST SPORTSWEAR MANUFACTURERS IN EUROPE. With most of the world's textiles manufacturing outsourced to Asia, O'Neills is the living proof that sportswear manufacturing can be successful in a higher wage economy when done properly with passion and expertise.
